KLU RESEARCH PROJECT

SCO - AFRICAN CENTER OF EXCELLENCE FOR SUSTAINABLE OPERATIONS FOR RESOURCE MANAGEMENT AND FOOD SUPPLY

PROJECT DURATION
March 2021 – December 2025

PROJECT LEADER
Prof. Dr. Maria Besiou (Kühne Logistics University - KLU)

BRIEF DESCRIPTION
The project in cooperation with the Kühne Foundation is to establish the African Center of Excellence for Sustainable Operations for Resource Management and Food Supply (SCO) jointly with the University of Nairobi (UoN) in Kenya and the University of Dar es Salaam (UDS) in Tanzania with funding from the German Academic Exchange Service (DAAD). It aims to empower all who engage with it to organize in a sustainable fashion all kinds of operations, i.e. the production, movement, and processing of food and other natural resources. The Center will address issues of crucial importance to Africa with respect to, for example, sustainable value-adding in transportation, logistics, and warehousing.
